1 2 amended to read as follows:

EXPLANATION

1 11 This bill provides that pupils attending classes taught via
1 12 the Iowa communications network qualify for supplementary
1 13 weighting pursuant to Code section 257.11. Currently, pupils
1 14 attending a class in which students from one or more other
1 15 school districts are enrolled which is taught via the Iowa
1 16 communications network are not regarded as attending a class
1 17 in another school district or in a community college for
1 18 supplementary weighting purposes. The bill provides that
1 19 pupils attending classes via the Iowa communications network
1 20 qualify for supplementary weighting to the same extent and on
1 21 the same basis as a pupil qualifying pursuant to Code section
1 22 257.11, subsection 2, regarding district-to-district sharing
1 23 programs, and Code section 257.11, subsection 3, regarding
1 24 district-to-community college sharing programs.
